Relationships

Problem

Solutions

- **Join**
- **Denormalization**
- Nested object
- Parent/Child

Join

Create user document

PUT /blog/user/1

{

 "name" : "somkiat",

 "email": "somkiat.p@gmail.com"

}

Join

Create post document

PUT /blog/post/1

{

"title" : "Hello relationship",

"body" : "Hi, all",

"user" : 1

}

Denormalization

```
PUT /blog/post/1
{
  "title": "Hello relationship",
  "body": "Hi, all",
  "user": {
    "id": 1,
    "name": "somkiat",
    "email": "somkiat.p@gmail.com"
  }
}
```

Denormalization

Search blog post by user & title

GET /blog/post/_search

```
{  
  "query": {  
    "bool": {  
      "must": [  
        { "match": {"title": "hello"}},  
        { "match": {"user.name": "somkiat"}}  
      ]  
    }  
  }  
}
```

Workshop with problem

Search + Count # of blog post by username

GET /blog/post/_search

GET /blog/post/_search

```
{
  ...
  "aggs": {
    "users": {
      "terms": {
        "field": "user.name"
      }
    }
  }
}
```

```
"aggregations": {
  "users": {
    "doc_count_error_upper_bound": 0,
    "sum_other_doc_count": 0,
    "buckets": [
      {
        "key": "somkiat",
        "doc_count": 3
      },
      {
        "key": "puisungnoen",
        "doc_count": 2
      },
      {
        "key": "unknown",
        "doc_count": 1
      }
    ]
  }
}
```

Expected result

Search + Count # of blog post by username

```
"aggregations": {
  "users": {
    "doc_count_error_upper_bound": 0,
    "sum_other_doc_count": 0,
    "buckets": [
      {
        "key": "somkiat puisungnoen",
        "doc_count": 2
      },
      {
        "key": "somkiat unknown",
        "doc_count": 1
      }
    ]
  }
}
```

Solutions

- Update mapping of post
- Reindex data
- Try to query

Update mapping

PUT /blog/_mapping/post

```
{  
  "properties": {  
    "user": {  
      "properties": {  
        "name": {  
          "type": "string",  
          "fields": {  
            "raw": {  
              "type": "string",  
              "index": "not_analyzed"  
            }  
          }  
        }  
      }  
    }  
  }  
}
```
